HOW IT WORKS	When you need services in Idaho*, use the BrightPath network to receive participating benefits.	When you need services in Utah*, use the Select Care network to receive participating benefits.	For members who reside outside of our Utah or Idaho service areas*, SelectHealth has made arrangements with both the MultiPlan and PHCS networks for members to receive participating benefits.
FINDING A PROVIDER	**To find a provider on the Select Care network,** contact SelectHealth Member Advocates° at 800-515-2220. Member Advocates are available during extended hours to help you find the right doctor or other provider for your needs. They can even help schedule an appointment. To access the online provider directory, visit **selecthealth.org/providers**. **To find a provider on the BrightPath network,** call 877-814-5505 or visit **yourbrightpath.com.**		To find MultiPlan and PHCS providers, contact MultiPlan toll-free at 800-678-7427 or visit **multiplan.com.** When searching online, select the "Search for a Doctor or Facility" button and identify your network by checking the box next to the logo that is shown on your card.
URGENT CARE	If you have an emergency or need urgent care outside of the service area, benefits apply to services you receive in a doctor's office, urgent care facility, or emergency room. SelectHealth has an arrangement with MultiPlan/PHCS providers to accept an allowed amount for covered services. If possible, use these providers and facilities for urgent or emergency care.		

*Additional provider access is available in certain counties in Utah and Idaho. Members will be allowed to use MultiPlan/PHCS providers and receive participating benefits. Contact Member Services for more information.
