WE WILL BE UNABLE TO KEEP & PROCESS YOUR APPLICATION.**

Children with **disabilities or special needs** are welcome. Please attach a copy of your child's IEP or IFSP to the application

Head Start involves families as well as the Head Start Child. Parent support is vital to the success of the program. Parents (families) are encouraged to volunteer time to the program. Volunteering can include helping in the classroom, preparing activities at home, serving on Parent committees, etc.

Upon acceptance into the program, your child will be assigned to a home-based or center-based class.

In addition, your family will receive Family Advocate services. Family Advocate services focus on strengthening the family, literacy/education and employability.

Center-based children may ride the Head Start bus for field trips.

Transportation is not provided to or from school.

Transportation Alternatives: parents can create car pools, ride the bus, or request the home-based option

**I have read and understand the above and would like to apply to have my child in Bear River Head Start,

[] **Lead Test:** If your child is 12 months or older has never had a lead test, obtain a lead test at the time of their physical, or call your child's doctor for a lab order. If your child does not have medicaid call the Health Specialist at 435-755-0081, ext. 324.

[] **Dental Exam:** Your child will need a dental exam with a dentist if he/she is 12 months or older. If your child is on a regular six month schedule with his or her dental care, please obtain a copy of your child's latest six month exam.

[] **Immunizations:** Immunizations needed for Preschool enrollment.

Please refer to medical and dental requirements (attached to Physical & Dental Exams Forms) for a list of required immunizations.

Once I complete and turn in my child's application what will happen next?

Upon receiving your application, the Recruitment & Enrollment team will process your application & input the information into our database. Your child will then be placed on the income eligible or over-income waitlist for the site requested.

Head Start has specific slots for age-eligible **over-income** children, and the majority of those slots go to children with identified disabilities

When will I hear if my child is in the program?

If you turn in an application between January and August (for the next program year – beginning September 2013), and IF your child is selected to attend Bear River Head Start, you will receive a letter informing you that your child has been accepted into the program.

After August 27, 2014, your child will remain on the waitlist until there is an opening and they are selected (based on the ratings criteria). **You will be called** by a member of the Recruitment & Enrollment team IF your child was selected to fill the vacancy.

Will my child get into the program?

If your child is a foster or a homeless child, your chances are excellent; **but we cannot guarantee your child will get in.** The federal government determines who gets first priority in receiving services in Head Start and foster and/or homeless children are priority children.

If your child is **age and income eligible**, your chances are very good; **but we cannot guarantee your child will get in.** **We have a waiting list every year!** The program **IS NOT** first-come first-served, but the sooner you turn in your application the better, as first selections are made early in the summer. Government regulations require service to **those in the community who need the services the most.** Therefore, each application is rated based on the information provided in the application.
