PRIMARY CARE PROVIDERS

A Primary Care Provider (PCP) sees patients for common medical problems, performs routine exams, and helps prevent or treat illness. You can trust a PCP to know your health history and help you find other doctors when you need them. If your PCP allows virtual (video) visits, you may pay less for these visits based on your benefits. Check out the "Primary Care Provider (PCP) Virtual Visits" benefit on your Member Payment Summary (MPS) to see how much you will pay.

SPECIALISTS

When you need more than your PCP, our network of quality specialists and surgeons can help.

HOSPITALS AND LOCAL CLINICS

Our facilities span Utah, offering great care and services. Think heart care, cancer treatment, transplant services, women and newborns, and much more—you name it, they can treat it.

INTERMOUNTAIN INSTACARE®

What's open late and costs less than the ER? Our InstaCare® and KidsCare® clinics. If you need urgent care, these are great options.

INTERMOUNTAIN CONNECT CARE®

Visit a provider 24/7 via live online video. Many plans cover this service at no or low out-of-pocket cost to you. Check your ID card or member materials for coverage information.
